

Vitali and Irina Yuchkovski are our missionaries to the Russian-speaking people in the US and former Soviet Union. They are involved with the Evangelical Baptist Church of Philadelphia (Church of the Wonderful News) which ministers to Russian immigrants in the Philadelphia area. The vast majority of these immigrants are Russian Jews. Vitali also serves with the Russian Missions teams and conducts outreaches into the former Soviet Union. While in the former Soviet Union, they work in children's ministries, running Bible camps, puppet presentations, street evangelism, and bringing humanitarian aid. They also minister to the nomadic tribal people of northern Siberia and in prisons, hospitals, cancer and TB hospitals. Bringing the Gospel message to the Russian-speaking people, both in the former Soviet Union and in the Philadelphia area, is Vitali's main ministry goal.

Vitali grew up at the Soviet Union. He graduated from Kishinev College, Moldova. (B.A in Engineering). He also graduated from Central Baptist Seminary, Kansas City, Kansas. (Master of Arts Degree in Religious Studies and Master of Divinity).

Vitali is married to Irina. Irina is from Kiev, Ukraine. As Vitali writes, "She is a good helper in the ministry to the Russian people."
